## A BILL

*intituled*

## AN Ordinance to amend Ordinance No. 125 (Merchant Shipping).

It is hereby enacted by the Governor of the Straits Settlements with the advice and consent of the Legislative Council thereof as follows:—

Short title.

1. This Ordinance may be cited as Ordinance No. 125 (Merchant Shipping) (Amendment No. 2) Ordinance, 1922.

Amendment of section 11 of the principal Ordinance.

2. Section 11 of Ordinance No. 125 (Merchant Shipping), hereinafter referred to as "the principal Ordinance", is amended by adding the following subsections after subsection (2) thereof:—

(2A) The Governor may appoint a Deputy Surveyor-General of Ships either generally for all the purposes of this Ordinance and of the rules made under it or for the purpose of particular parts, sections or rules.

(2B) Any act done by, to, or before a Deputy Surveyor-General of Ships within the powers conferred upon him shall have the same effect as if done by, to, or before the Surveyor-General of Ships.

Amendment of sections 15, 19, 285 and 394, and Schedule B of the principal Ordinance.

3.—(1) Section 15 (1) subsections (b), (c), (d) and (e), section 19, subsections (1) and (4), section 394 and Schedule B of the principal Ordinance are amended by substituting the words "seventy-five tons" for the words "fifty tons" and the words "one hundred and twenty-five tons" for the words "one hundred tons" wherever the said words "fifty tons" or "one hundred tons" respectively occur therein.

(2) Section 285 of the principal Ordinance is amended by substituting for the words "Master of a local-trade ship under fifty tons" the words "Master of a local-trade ship under seventy-five tons".

(3) A Master having a certificate issued at a date before the date of the coming into force of this Ordinance as Master of a local-trade ship under fifty tons shall be deemed to be a Master having a certificate as Master of a local-trade ship under seventy-five tons for all the purposes of the principal Ordinance as amended by this Ordinance.

## OBJECTS AND REASONS.

This Bill makes two amendments.

The first concerns the post of Deputy Surveyor-General of Ships which has been recently created. Ordinance No. 125 (Merchant Shipping) does not at present provide for the appointment to the office and the duties attaching to it. The object of the Bill (section 2) is to enact the required provisions.

The second amendment (section 3) enables the masters and engineers of British local-trade ships of between twenty-five and one hundred and twenty-five tons to control slightly larger ships with their present certificates. The object of this amendment is to encourage the construction of larger ships and to allow of the carriage of more cargo.

## A BILL

*intituled*

AN Ordinance to amend Ordinance No. 39 (Malacca Lands Customary Rights).

It is hereby enacted by the Governor of the Straits Settlements with the advice and consent of the Legislative Council thereof as follows:—

1. This Ordinance may be cited as Ordinance No. 39 (Malacca Lands Customary Rights) Amendment Ordinance, 1922.

2. The following section is added after section 8 of Ordinance No. 39 (Malacca Lands Customary Rights).

8A.—(1) The Governor in Council may, upon the report of the Resident Councillor, by provisional order declare that any customary land has for three consecutive years prior to the date of such provisional order not been used mainly or substantially for the planting of padi or other agricultural purposes but has been used mainly or substantially for building purposes and that the said land is no longer held under customary tenure.

Substitution  
of Statutory  
Grant for  
customary  
tenure in  
certain cases.

(2) Such provisional order shall be registered by the Collector of Land Revenue in the register required to be kept by section 13 and a copy thereof shall be served upon the person (if any) in occupation of the land and also in some conspicuous place upon the land.

(3) Any person claiming that any right to or interest in such land has been or may be injuriously affected by such provisional order may within three months after the registration thereof apply by motion to a Judge of the Supreme Court for a declaration that such land has for three consecutive years prior to the date of such order been used

mainly or substantially for the planting of padi or other agricultural purposes and has not been used mainly or substantially for building purposes.

(4) If the Judge, from whose decision there shall be no appeal, shall decide that the land has during the period in question been used mainly or substantially for the planting of padi or other agricultural purposes and has not been mainly or substantially used for building purposes, the Governor in Council shall set aside the provisional order and the Collector of Land Revenue shall delete it from the Register.

(5) If no person applies by motion as mentioned in subsection (3) within three months of the registration of the provisional order or if the Judge decides that the land has during the period in question been used mainly or substantially for building purposes and has not been used mainly or substantially for the planting of padi or other agricultural purposes, the Governor in Council shall confirm the provisional order and thereupon such confirming order shall be registered by the Collector of Land Revenue in the register required to be kept by Section 13 and such confirming order shall be binding and conclusive against all parties and shall not be called in question in any Court of law.

(6) Whenever a confirming order of the Governor in Council has been registered as aforesaid the provisions of this Ordinance shall no longer apply to such land and the person against whom the confirming order has been registered under subsection (5) of this section shall deliver to the Collector of Land Revenue all documents of title in his possession relating to such land and shall receive in exchange therefor a Statutory Land Grant under the provisions of Ordinance No. 34 (Crown Lands) on such terms and conditions as the Governor thinks fit.

(7) If the person against whom a confirming order of the Governor in Council has been registered as aforesaid neglects or fails within one month thereafter to deliver to the Collector of Land Revenue all documents of title in his possession relating to such land the Collector of Land Revenue shall enter upon the land and the same shall be deemed to have been forfeited and vested in the Crown free from all rights, encumbrances, claims and demands whether claimed by the person against whom the said order has been registered as aforesaid or by any other person claiming by, through, under or in trust for him.

#### OBJECTS AND REASONS.

The object of this Bill is to empower the Governor in Council to make an order that land held by customary tenure under the Ordinance has ceased to be so held, upon the ground that for the previous three years it has been used, not for agricultural, but for building purposes. When such an order is made and documents of title are delivered the owner will receive a Statutory Grant as title to his land. If the documents are not delivered the land will be forfeited.

The reason for the Bill is that certain lands near Malacca now held by customary tenure are being used for building and not for agricultural purposes.

## OBJECTS AND REASONS.

The object of this Bill is to provide that the succession to the estates of deceased Mahomedans shall be governed by Mahomedan Law only, instead of by the present mixed provisions of English and Mahomedan Law in Ordinance No. 26 (Mahomedans) which relate to the subject.

The reasons for the Bill are that the Mahomedan community desire that the devolution of the estates of deceased Mahomedans should be so governed and that this privilege exists in most Mahomedan countries.

*Attorney-General, S. S.*

And that in exercise of the powers vested in them by section 223 (1) of Ordinance No. 135 (Municipal), and with the approval of the Governor in Council, the following regulations have been approved for the purpose of removal of night-soil:—

(d) The doors and walls of all latrines shall be so constructed as to permit of ample circulation of air.

(e) The pail must be so placed that its top shall be not more than one inch below the underside of the urine guard. The hole in the seat shall be not more than 9 inches wide or 1 foot 2 inches long and the base shall be arranged so as to guide the pail into its proper place.

(f) Every latrine shall be provided with proper iron pail doors of sufficient size, hanging from the top or side, with a clear space of one inch at the bottom.

2. The coolies and overseers of the Commissioners shall be allowed free access daily, between the hours of 6 A. M. and 10 A. M., to every latrine within the area aforesaid, for the purpose of removing night-soil.

3. The Commissioners will at their expense provide pails to facilitate removal, also pails in place of those worn out, or broken, otherwise than through neglect or misuse by the occupier of the house or his servants.

4. The occupier of every house within the aforesaid area shall take steps to ensure the safe custody, preservation, and proper use of all latrine pails used in his house or compound, and in the event of loss he will be charged the cost of replacement.
